This report is respectfully dedicated to the memory of Sam Pitts - a devoted public servant who served his State and Town unselfishly for many years.

Member of Maine State Legislature  
1959 - 1963 - 1965

Former State Racing Steward

Former Selectman of Harrison

Former Member of Harrison School Board

## Selectmen's Comments

To the Citizens and Taxpayers of Harrison:

The year 1965 has been a very active and progressive year for the Town of Harrison.

Our biggest step forward was the admission of our school system into School Administrative District #17. This was accomplished at the special town meeting on December 28, 1965.

Emerson College purchased the former Camp HaWaYa and Deertrees Theater properties in March. Combined, these are now known as the Emerson College Center for the Performing Arts. We wish to extend a hearty welcome as we feel they are a great asset to our village.

This year a new steel bridge was built to replace the old wooden bridge at Thomes Brook on the Lewis Road. The selectmen anticipate to use the State Aid Road funds to further improve this road in 1966. Although money was appropriated for rebuilding the Dawes Hill Road, Deertrees Road and Winslow Street, the completion of this project will not be until this spring. At this time High Street will be reconstructed too. Also, it is anticipated that our Town Road Improvement money will be used to surface Dawes Hill and Deertrees Road.

Through efforts of our Tree Warden, Ahti Martikainen, and the State Forestry Service, Harrison was one of two towns in the state selected to use Bidrin on our elm trees. This experimental work was done on Main St. in the village. This program will be continued on Main St., and also include Front St. The tree warden has requested a separate appropriation for replacing shade trees which we heartily endorse and ask your support.

The State Forestry Service in July opened the Blister Rust Control office in the Morrill Block, under the supervision of District Leader, David W. Stewart. Maine State Library has leased a building on Depot Street. This is headquarters for Bookmobile District #7 with John Perkins as manager.

Portland Pipe Line Corp. installed an additional 24" line on their extended right of way. Their tax consultant stated that this new addition would approximately double their taxes paid in Harrison this year.

Serious thought should be given to Article 45 in the warrant concerning private roadways. With increased construction on and near our lakes, we feel that the non-resident taxpayer should be considered in our highway maintenance program. Approximately 58% of our taxes are derived from the non-resident taxpayer.

Respectfully submitted,

EDWIN R. ROLFE, JR.

WALTER D. CHUTE

RAYMOND W. MARTIKAINEN

## **Report of the Public Health Nurse**

TOWN OF HARRISON - 1965

The objective of a public health program is to bring to all people the benefits of modern services which includes services for the care and rehabilitation of the sick and disabled, the promotion of healthful living, and the prevention and control of disease.

In Harrison, a number of people are involved in attempting to attain this objective. They work together with the nurse and health officer to make up a team. Your public health nurse is an essential part of this team.

Diseases of old age create outstanding problems. Nineteen percent of all visits were made to adults helping them to get in touch with other agencies, make adjustments, and to help them with the social and economic problems so often linked with illness.

Although Harrison has enough children to use 10 child health conferences a year, only eight were held this past year with a total attendance of 84. This means that 10 infants and 55 pre-school children had physical examinations and were protected against diphtheria, whooping cough, tetanus, polio, and smallpox. There are still many pre-school children living in Harrison who do not have medical examinations by their family physician or the child health conference physician. Children entered school with defects uncorrected this past year.

For the first time in May, 1965, your nurse participated in pre-school registration. This gave the nurse an opportunity to interview mothers about the child's health and immunization history. Each child was given individual hearing tests. Each child had a vision test using the Snellen chart. Two children were found to have a hearing loss and one had an eye defect. These children were referred to their family physician for examination and were under medical supervision before school opened.

The public health nurse participated in a free measles clinic with Dr. Martin, health officer.

Home visits are made to all age groups. Over 80% of all visits are made to the school age group. Parents are slow in seeking medical supervision and do not always know about or use the facilities available to them. The nurse visited to encourage parents to seek this help. Children with heart disease, speech defects, crippling conditions, ear and eye defects and emotional problems were visited and referred to the proper resources for correction or medical supervision.

An intra-dermal tuberculosis skin test is planned early in the year 1966 for the children in the first and seventh grade. Physical examinations will begin in January 1966.

The assistance given the public health nurse by volunteers, health committee, town officials, teachers and Dr. Martin has been gratefully appreciated.

Respectfully submitted,

CLARICE B. PURCELL, R.N.  
Public Health Nurse

### **Harrison Swimming Program**

The Harrison swimming program completed a successful nine week program on August 20, 1965. Anne Whitney was my assistant for the summer. Betsy Whitney, Bonnie Wentworth, and Martha Hibbard volunteered their assistance for the beginners classes, which was greatly appreciated by Anne and I.

The classes were held five days a week from 9 a.m. through 12 noon and 1 p.m. through 4 p.m. There were three beginner classes, two Advance Beginners classes, two Intermediate classes, two Swimmers Classes, one Advanced Swimmers class and the Junior and Senior Life Saving Class. Again this year we held a special class for the three, four and five year old children, which was very successful.

There was a total attendance of 185 students for the entire summer. National Red Cross Certificates were awarded as follows: 42 to the Beginners, 16 to the Advanced Beginners, 12 to the Intermediates, 18 to the Swimmers, 2 to the Advanced Swimmers, 5 to the Junior Life Savers and 5 to the Senior Life Savers. Special participation certificates were awarded to the Beginners unable to pass the course.

The Life Saving Class again climbed the back side of Pleasant Mountain this year up into the blueberry fields. Everyone took a picnic lunch and had a successful afternoon of picking blueberries.

This year two life-jackets and a ring buoy was purchased. The life-jackets were greatly needed as the learning of the use of them is now necessary in order for the Advanced Beginners to complete the course. Also, the learning of the use of the ring buoy is necessary in the Junior and Senior Life Saving Classes. The greatly needed "No Dogs Allowed" sign was put up near the beach.

Only three days were lost due to bad weather.

Greatly needed for the coming summer is a new float to replace the unsafe, weather beaten float we now have. Also a new life-boat is needed to replace the old, leaky, unrepairable life-boat we have had for many, many years.

I also would like to request a raise for the assistant swimming instructor. She now receives approximately \$11.00 a week. This is quite insufficient for the amount of time and work she puts in. I think she should receive at least twice the amount, totaling \$200.00 for the entire summer. Surely, the safety and instruction of swimming lessons for your children is worth much more than the amount the assistant presently earns.

The annual trip to Pleasant Mountain and the ride on the chair-lift was again a great success and fun was had by all. This trip was made possible by the help of Mr. Edward Tarbox, with his donation of two buses for transportation. Also by Mr. Russell Hagggett, Manager of Pleasant Mountain, who lets all the children ride the chair-lift for no charge whatsoever. After the chair-lift ride, everyone returned to Crystal Lake Beach, where everyone enjoyed a picnic lunch. A thank you goes to the parents who helped chaperone the trip. Certificates and awards were presented as a finale of the day and the season.

I would like to thank the Lion's Club, the Selectmen, the Town of Harrison, Neil Tracy, and the others who helped make the summer a success.

Respectfully submitted,

ELEANOR J. MARTIKAINEN  
Red Cross Swimming Instructor

## Report of the Fire Department

The Fire Department had a total of 37 calls in 1965; 26 Grass and Chimney, 7 Dump, 2 Out of Town, 1 Woods and 1 House.

I wish to extend my thanks to all the men in the Fire Department for the fine work they have done this past year.

I would like to explain to everyone that the Fire Department is just studying the possibility of a new truck for a later date. This is something for the future and not for the present time.

Sincerely,

DAVID PURINGTON  
Chief

-----

Gordon Eastman, Forest Ranger, requests that all citizens acquaint themselves with the two new laws on forest fire control.

### 1456-A. Spark arresters on certain equipment

No equipment for producing power shall be operated in, through or near forest lands unless it is provided with approved and efficient spark arresters designed to prevent the escape of sparks, carbon deposits or other substances likely to cause fires. The operator of equipment not provided with such a spark arrester or having such a spark arrester which is not in effective operating condition shall be punished by a fine of not more than \$100 or by imprisonment for not more than 30 days, or by both.

### 1653. Partial payment of costs of suppressing forest fires

Any person, firm or corporation who shall willfully or negligently cause a fire which burns forest, brush, grass or other lands or shall willfully fail to take reasonable action to control a fire on his own land shall be liable civilly up to a maximum of \$500 of the suppression costs to the State or municipality which aids in suppressing the same.

On the next page are copies of the new "Incinerator Approval" and "Permit to Burn Slash and Debris" Forms. These permits are issued by David Purington, Fire Warden.

**STATE OF MAINE - FORESTRY DEPARTMENT  
PERMIT TO BURN SLASH AND DEBRIS**

Permission is hereby granted \_\_\_\_\_  
Name Address

to burn: ☐ Slash ☐ Grass or Pasture ☐ Blueberry land ☐ Debris  
☐ Other \_\_\_\_\_  
Specify

Location of burn \_\_\_\_\_

Date of burn \_\_\_\_\_ Hours to burn \_\_\_\_\_

Safety requirements: \_\_\_\_\_

in accordance with Title 12 Section 1551 and Title 25 Section 2436-A Revised Statutes 1964 as amended by Chapters 226 and 365 Public Laws 1965. See reverse side.

This permit is granted in the good faith that the fire is carefully watched and controlled by a sufficient force of men and adequate equipment. In no way is the person relieved of legal responsibility if the fire is allowed to escape or cause damage to property of another.

The provisions of this statute are not to be confused with municipal ordinances regulating burning.

# TREE FARMING IN HARRISON, MAINE

Sixteen new tree farmers will be dedicated at the Harrison town meeting in 1966. All tree farmers are either residents or own land in Harrison. This will probably be the largest dedication ever held in Maine (and possibly the United States) of new tree farmers in one town. One of the sixteen tree farmers, Jesse P. Scribner, is possibly the oldest tree farmer in the United States at the young age of 95.

What is a tree farm? It is an area of privately owned, taxpaying forest land dedicated by its owner to the growing and harvesting of repeated forest crops through the principles of wise land management. The tree farm program in Maine is sponsored by the Maine Committee of American Forest Products Industries, with the cooperation of the Maine Forest Service and other agencies. Maine now has over 700 certified tree farmers managing nearly 2,000,000 acres.

The New Tree Farmers are:

Jesse P. Scribner	Mrs. Virginia Taylor
Ivar & Agda Viitala	Charles & Ruth Roy
Philip Chute	Earle & Gladys Briggs
Mrs. Blanche Z. Austin	Walter Matson
Bruno & Laurie Leino	Mrs. Alice Denison
Lydia Cook Adams	Milton & Sarah Gilkey
Walter Matson & Toivo Tiirainen	
Dr. John O. & Frederica Staughton	
Philip H. & Elizabeth Denison	
Mary & William C. Carlson	

The sixteen new tree farmers have a total of 1953 acres.

There are already two tree farmers in Harrison, the S. D. Warren Company and Camp Bendito with 724 acres, making a grand total of 2,372 acres in Harrison.

Residents and landowners in Harrison are certainly showing good forest management on their small woodlands. Congratulations.

Respectfully submitted,

WAYNE L. JACKSON  
Service Forester, Maine Forest Service

## REPORT ON DUTCH ELM DISEASE

1965

To the Selectmen of the Town of Harrison:

In the past year there have been 67 Dutch Elm diseased trees removed in Harrison Village and 5 trees in Bolsters Mills Village. In the spring 17 were removed and in the fall the remainder.

The controlled area has been enlarged this year which accounts for the large number of removals. The previous boundaries were at the Finnish Church, Harrison Grammar School, foot of Dawes Hill, down Main Street stopping at Dr. Martin's.

The new boundaries are the brook at Robert Neese's including the cemetery, Jesse Libby's on Hillside Avenue, top of Dawes Hill to Crystal Lake Beach including behind the block, to the new bridge on Route 117.

Dormant spraying was done by Western Maine Nursery of Fryebrug. New bids were sent to five licensed Maine Arborists with Goodall Tree Expert Co. of Portland, the successful bidder.

All of the marked diseased trees have been taken down which include 28 in the new areas.

Due to extreme dry conditions there were no new trees planted in 1965. However, it is hoped that it will be possible to plant some trees in 1966.

I attended two different workshops on Dutch Elm Disease in Augusta to keep up to date with the new methods being used for control of the disease.

Respectfully submitted,

AHTI S. MARTIKAINEN  
Tree Warden

WHITE PINE BLISTER RUST REPORT

November 30, 1965

Mr. Edwin R. Rolfe, Jr., Chairman  
Board of Selectmen  
Harrison, Maine

Dear Mr. Rolfe:

The following is a report of the work done on the white pine blister rust control program in Harrison in 1965.

1,526 acres in and near white pine stands were surveyed. This was to locate and destroy the currant and gooseberry bushes which spread the disease from one pine tree to another. 660 of these bushes were destroyed. They were generally scattered or in local concentrations throughout the area and represent the regrowth of the species in the past 10 to 12 years since these particular areas were last worked.

The cost of this work was \$393.63. Harrison's share was \$198.87 in wages and transportation of men and supplies. The United States Forest Service provided \$12.58 for transportation. The Maine Forestry Department provided \$182.18 for wages, travel, supervision, and supplies.

There is no further work of this nature due in Harrison until 1968 when 5,880 acres should be carefully checked over.

Thank you for the fine cooperation we received from you and the citizens of Harrison.

Sincerely,

DAVID W. STEWART  
District Leader

## Civilian Defense and Public Safety

To the Citizens of Harrison:

I hereby submit the report on Civil Defense and Public Safety for the Town of Harrison during the part of the year of 1965 that I have been director. Chapter 61, Title 25 of the Revised Statutes of 1964, State of Maine, provides that each political sub-division of the State have a Civil Defense and Public Safety Organization, and that the duly elected governing body (Board of Selectmen) appoint a director for this agency, to carry out the State program as provided by law.

I accepted the appointment of Director of the Town of Harrison on a strictly volunteer basis. This appointment was made by the Board, with my consent, on Sept. 28, 1965. Since then, I have devoted considerable time, with the help of State and County officials, to writing a basic operational plan for the Town, with all the required annexes (Fire, Police, Welfare, Radiological, Communications, etc.) in order that in the event of a natural or war created disaster, we will be somewhat prepared to cope with these major problems as an organization.

It is my hope for the coming year that our local CD program can be divided into three distinct phases as follows:

(1) Individual preparedness through knowledge of survival measures. These are for adults and school children alike.

(2) Community protection (Civil Defense Organization). This constitutes training personnel for existing services that may need implementation, and other services not found in our every day requirements. Training courses for the above are provided for from State through County such as Civil Defense Adult Education, Medical Self-help, Survival measures Nuclear Age (Elementary Schools), Rescue Training, Radiological Training and many others.

(3) Resources inventories, in what the town has on a day to day basis to meet initial needs in case of disaster (food, fuel, clothing, transpor-

tation, etc.). At present, I am writing a RACES PLAN for the Town. "RACES" stands for and is the abbreviation of Radio Amateur Communications Emergency Service. Each community is required to have a plan of this nature to tie in with net control at the County Emergency Operating Center at South Windham. More information will be forthcoming this year to inform the individual how a shelter, to protect against possible residual radiation, can be improvised in cellar spaces at a minimum cost.

All that I am asking for in the coming year is the moral, physical and fiscal support of the citizens of the town, to help me carry out the provisions of the State law.

Respectfully submitted,

STEVENS J. THOMAS

### Librarian's Report

Books in possession of the Library	8,441
Circulation	5,479
Books purchased	146
Memorial books	48
Books donated	19

As usual, we think this has been a good year for the Library. Our circulation is increased by 413; the membership drive was quite successful; we received a record number of Memorial books. A four volume set of Harper Encyclopedia of Science was given in memory of Charles N. March, as well as many more books that we purchased from the Fund in his memory. Books were also given in memory of Harrington Flint, Don Gray, Tylene Carlson, Mrs.

Crossman, Mr. Eldred, Mrs. Dorothy Payne, Mr. Dwight Revere, Mrs. Ula Parsons, Mrs. Nan Hunter and Rep. Sam Pitts.

In April we celebrated Library Week by having a Silver Tea at the library. It was very well attended and we hope to make it a yearly custom. Mrs. Margaret Denison, Mrs. Martha Jackson, Mrs. Alice Denison and Mrs. Rilma Kempton were hostesses. Mrs. Margaret Denison poured, the refreshments were delicious, our reading table wore a lace table cloth in honor of the silver tea service and the flowers were lovely. The Misses Susan and Sally Roberts were in charge of the children's room, where they served punch and other goodies. Ninety visitors signed the register, including three of our neighboring librarians.

Mrs. Margaret Denison and Mrs. Martha Jackson have been very helpful during the year. Mrs. Rilma Kempton kept our files and before she left to spend the winter in Portland, spent nearly all one afternoon bringing them all up to date.

Our young people have been active in library work this year. The Boy Scouts keep us shoveled out and besides that several who are working for merit badges have donated their time (and muscles). They have moved hundreds of books to our new room in the basement, and most of them had been stored in the attic. Two Harrison girls, who are in FHA at Bridgton High School came two days and rearranged our Detective Story shelves and the local 4H girls are coming in two by two to dust, polish and tidy things up. We are grateful to all of them and appreciate their enthusiasm. We also appreciate the donations of magazines and paper back books that we have received during the year. We hope to have a book sale this summer, and another Silver Tea, and hope you will all come.

VIRGINIA DAY  
Librarian

#### Message from the President

The year of 1965 has rolled by with great success.

The project for 1965 was completed by installing a new lock on the front door of the Library and the

books from the garret were moved to the library basement. We also accomplished another project of building extra shelves on the main floor of the library and library basement. This extra space makes it more convenient for the Librarian and also the public.

The Caswell Public Library still has a membership drive and anyone interested in our association may become a member by paying "one dollar" to the treasurer, Alice Denison, or any officer of the library.

The officers wish to thank the public for their donations of books that were given in the past year; we would like to give a thank you of appreciation to our Librarian, Mrs. Virginia Day and her assistant, Mrs. Martha Jackson.

I have found it to be very interesting to work with the officers and members of the Caswell Public Library and I would like to take this opportunity to wish our President, Dr. Abram Cohen, and his newly elected officers a very successful year.

RAYMOND W. MARTIKAINEN  
President

### **Bolsters Mills Public Library**

Due to the appropriations voted in the town of Harrison and Otisfield we were able to purchase many more books this year. Also received several from friends which were greatly appreciated.

More people are using our library and the circulation continues to rise.

We are fortunate in having the Misses Joan and Jean Pike as librarians under supervision.

All residents of Harrison and Otisfield have free use of the library.

EDNA M. LORD  
Secretary

## HARRISON SCHOOL DEPARTMENT

### Report of the Superintendent

To the Superintending School Committee and Citizens of the Town of Harrison:

It is with pleasure that I submit my seventh annual report as Superintendent of Schools.

School opened with a teachers' meeting on September 7, 1965, and on September 8th there were the following teachers and enrollments:

<u>Elementary</u>									
<u>Teacher</u>	<u>1</u>	<u>2</u>	<u>3</u>	<u>4</u>	<u>5</u>	<u>6</u>	<u>7</u>	<u>8</u>	<u>Total</u>
Florence Johnson	30								30
Marilyn Allen		25							25
Edna Lord			30						30
Beatrice Wyman				19	15				34
Grace Lord						27	7		34
Arthur Conary, Prin.	—	—	—	—	—	—	11	21	32
Frances Small, Music	30	25	30	19	15	27	18	21	185

<u>Harrison Teachers</u>			
<u>Teacher</u>	<u>Preparation</u>	<u>Total</u>	<u>Years of Experience</u> Harrison
Arthur Conary	3 yrs., U. of Maine	39	21
Grace Lord	B.S.Ed., U. of Maine	38	37
Beatrice Wyman	3 yrs., Gorham S.C.	42	42
Edna Lord	1 yr., U. of Maine	25	22
Marilyn Allen	B.S.Ed., Gorham S.C.	7 $\frac{1}{2}$	2
Florence Johnson	2 yrs., Farmington S.C.	35	3
Frances Small	1 yr., American Inst. of Normal Methods	18	9

Secondary

<u>School</u>	<u>9</u>	<u>10</u>	<u>11</u>	<u>12</u>	<u>Total</u>
Bridgton High School	11	13	16	9	49
Oxford Hills High School	1	7	6	3	17
Gould Academy	1		1		2
Oak Grove School	<u>1</u>	<u>—</u>	<u>—</u>	<u>—</u>	<u>1</u>
	14	20	23	12	69

When the town voted on May 1, 1965, to rescind the building program approved at the annual town meeting, it was in essence a vote to continue the crowded double classrooms, and the enrollment table above shows the situation this year.

During the summer, repairs were made to the building to comply with the Insurance Commissioners' recommendations, and the usual maintenance program was carried out.

On November 17, 1965, the School Committee voted to request the State Board of Education to admit Harrison to School Administrative District No. 17. This was voted upon favorably by the towns involved and approved by the State Board of Education on January 26, 1966.

When the new district high school is completed, it should be possible to relieve some of the congestion in the local elementary school and add a kindergarten class. The immediate benefit to the high school students is that they are now being transported to school at the district's expense.

In conclusion, I wish to thank everyone who has worked long and hard to try to give the boys and girls of Harrison a good educational program.

Respectfully submitted,

CHESTER R. PARKER  
Superintendent of Schools

### Harrison School Lunch Program

#### SCHOOL YEAR 1965

##### Income

Income from children	\$5,232.17	
Income from adults	220.45	
Other income	363.94	
Government subsidy	<u>1,226.49</u>	\$7,043.05

##### Expenses

Food purchased	\$5,479.45	
Labor hired	970.80	
Equipment, repairs, paper goods bottled gas, etc.	<u>618.49</u>	\$7,068.74

Individual meals served to children	22,656
Individual meals served to adults	739
Meals served free to employees	542
Meals served to children free or at reduced rates	4,158
Special milk to children	2,243

Each child participating in the lunch program is served a Type "A" lunch in accordance with State and Federal requirements. A Type "A" lunch is comprised of the following:

1. One-half pint of whole milk.
2. Two ounces of protein (meat, fish, poultry, cheese, etc.)
3. Three-fourths cup of vegetables or fruit or both.
4. One or more portions of bread or muffins made with whole grain or enriched flour or cereal.
5. Two teaspoons of butter or fortified margarine.

A Type "A" lunch furnishes one-third the daily requirements for each child. Parents and interested persons are encouraged to visit the school cafeteria on any school day and have lunch with the children.

Again I wish to express thanks to the Superintendent of Schools, the Harrison School Committee, the Principal and Teachers, and the cafeteria employees for their contribution to the School Lunch Program. Also, recognition should be given to Harrison Laundry (Mr. & Mrs. Lawrence Card), as for the past two years they have furnished free of charge aprons and kitchen towels used in the cafeteria.

Respectfully submitted,

PEARL H. BAKER  
School Lunch Food Supervisor

## CENTRAL MAINE POWER COMPANY

Western Division Office - 134 Main Street - Lewiston, Maine

February 8, 1966

Mr. Edwin R. Rolfe, Jr.  
First Selectman  
Harrison, Maine

Dear Mr. Rolfe:

In regard to the street light proposal for Main Street and Front Street which was forwarded to you earlier, may I review briefly some of the benefits the town of Harrison might achieve from this project.

On Main Street, with the installation of the 21,000 lumen units as shown, we would be providing a fairly uniform level of light from the Norway Road intersection through downtown and tie in with the new Bridgton Road. The lights are mounted generally on an every other pole basis, with consideration given to intersections and also commercial areas where pedestrians might apt to be walking near the side of the road. We propose seven 21,000 lumen units so located as to blend in with the existing mercury street lights in both size and spacing. This would bring Main Street, lighting wise, up to a level that is accepted as adequate for these traffic conditions.

On Front Street the plan calls for replacing the existing incandescent street lights with the newer and more efficient mercury-vapor lights. This would provide  $3\frac{1}{2}$  times as much light for twice the cost. This installation would also provide for drivers leaving or entering Main Street from Naples a chance for their eyes to accustom and adjust to the different levels of light that occur from a well lit Main Street and a dark access road.

When you add safety and civic pride in your community, to name just a few of the benefits from good street lighting, I'm sure you will agree that this truly is a big return for your dollar.

If I can be of any further assistance, please let me know.

Sincerely,

Walter F. McKenna  
Power & Lighting Advisor

## Auditor's Report

February 10, 1966

Board of Selectmen  
Harrison  
Maine

In accordance with Title 30, Section 5253, Maine Revised Statutes Annotated of 1964, an audit has been conducted of the financial records of the Town of Harrison for the fiscal year ended December 31, 1965.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits and schedules incorporated in this report, present fairly the financial position of the Town at December 31, 1965, and the results of its operations for the year then ended.

Respectfully submitted,

ARMAND G. SANSOUCY

State Auditor

(The complete Auditor's Report  
is on file at the Town Office)

C O M M E N T S

## TOWN OF HARRISON

January 1, 1965 to December 31, 1965

An audit has been completed of the financial records of the Town of Harrison for the fiscal year ended December 31, 1965. The audit consisted of an examination of the records maintained by the Selectmen, Treasurer, Tax Collector and other municipal officials.

The fiscal year's operations showed that the net unexpended departmental balance lapsed amounted to \$5,662.03, per the following summary:

## Departmental Operations:

Unexpended Balances	\$7,949.42
Overdrafts	<u>2,287.39</u>

Net Unexpended Balance	<u>\$5,662.03</u>
------------------------	-------------------

The overlay and unexpended balances in the tractor and playground accounts less the tax abatements were the major factors contributing to the amount lapsed to surplus.

The following comments pertain to the accompanying financial statements and to the scope of audit.

ASSETS....The general cash balance of \$37,931.01 was on deposit in the Norway National Bank, Norway, Maine at December 31, 1965. The change fund of \$200.00 was on hand.

Accounts receivable of \$50.35 represented reimbursable welfare expenditures due from the State and other municipalities.

Taxes receivable totaling \$16,399.29 consisted principally of current accounts of \$15,595.79. The remaining balance of \$803.50 represented prior years' accounts dating from 1963. Tax liens and tax acquired property amounted to \$2,715.00 and \$588.87 respectively.

DEFERRED APPROPRIATION....The deferred appropriation of \$8,571.25 represented amounts voted at a special town meeting for the Deertrees and Dawes Hill roads and school building plans and are to be raised at the next annual meeting.

LIABILITIES, RESERVES AND SURPLUS....The departmental accounts showed an unexpended balance of \$21,823.23, which was carried forward in accordance with legal requirements and/or by authority of the municipal officers.

Excise tax revenue of \$5,196.74 is reserved for future allocation by the townspeople.

Escrow deposits of \$192.00 are carried forward pending completion of the sale of tax acquired property.

The unappropriated surplus amounted to \$39,035.53, an increase of \$28,044.13 for the year. This change was occasioned principally by a transfer from the Capital Reserve Fund and the net unexpended departmental balance lapsed.

DEBT FUND....The debt fund, incorporated in the balance sheet as a separate fund, reflects the promissory note of \$800.00, representing the balance due Mona G. Irish for the purchase of real estate. This obligation matures during the next two years without interest.

TRUST FUNDS....Trust fund principals and income balance amounted to \$13,016.24 at the year end. The funds are invested in the Norway Savings and South Paris Savings Banks and 155 shares of Canal National Bank common stock.

DEPARTMENTAL ACCOUNTS....The departmental accounts showed a decrease of \$3,439.78 in funds raised by taxation, as compared with the preceding year. A smaller appropriation for highways and bridges was the major factor contributing to the change.

The departmental balances carried forward increased by \$5,790.73, as compared with balances at the start of the year. This change was reflected principally in the highway accounts.

GENERAL....The use of excise tax revenue for specific highway purposes was authorized by the voters.

At a special town meeting, it was voted to transfer the balance in the Capital Reserve Fund to surplus.

#### SCOPE OF AUDIT

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Count of cash was made and records checked to determine the accuracy of recorded cash transactions.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period. Verifications were utilized, on a test basis, to determine the correctness of recorded assets and liabilities.

Excise tax collections were checked by examination of copies of receipts retained by the tax collector. Education account balances were checked with the Superintendent of Schools. Trust and special fund transactions were reviewed and investments examined. Surety bond coverage was examined.

## Warrant for Town Meeting

To Lawrence A. Card, a Constable of the Town of Harrison in the County of Cumberland:

Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Harrison, qualified by law to vote in the town affairs, to assemble at the Fire Station in said town on Saturday, the 12th day of March A.D. 1966 at 10 o'clock in the forenoon, to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a Town Clerk, Town Treasurer and Collector of Taxes for one year.

Art. 3. To see if the town will vote to give the Board of Selectmen permission to hire the town clerk to serve as office clerk to the Selectmen.

Art. 4. To choose one Selectman, Assessor and Overseer of the Poor for 3 years.

Art. 5. To vote the compensation of the 3 Selectmen, Assessors and Overseers of the Poor; and the compensation of the Town Treasurer, Town Clerk, Collector of Taxes, and Clerk to the Selectmen.

Art. 6. To elect a Road Commissioner for one year and vote his compensation.

Art. 7. To choose such other officers as the law requires to be chosen at the Annual Town Meeting.

Art. 8. To see if the town will vote to reappropriate the balances from 1965 of:

Street Lights	\$ 335.20
Equipment Shed	39.22
Town Roads & Bridges	2,485.57
Snow Removal	1,221.90
Deertrees Rd., & Dawes Hill Rd.	5,331.44
Shade Trees	2,340.17
Civil Defense	162.27

Social Security	\$ 63.68
Public Health	83.57
Workmen's Compensation	102.82
Truck	2,842.30
Grader	1,310.77
A. D. C.	36.62
Poor Account	1,601.32
Interest	868.87
Town Lines	300.00
School	2,697.51

Art. 9. To see what sum the town will vote to raise and appropriate for defraying town charges for the ensuing year.

(Recommend \$7,500.00)

Art. 10. To see what sum the town will vote to raise and appropriate for maintenance of Parks and Beaches.

(Recommend \$1,000.00)

Art. 11. To see what sum the town will vote to raise and appropriate for support of the Poor.

(Recommend \$2,500.00)

Art. 12. To see what sum the town will vote to raise and appropriate for A. D. C.

(Recommend \$600.00)

Art. 13. To see what sum the town will vote to raise and appropriate for care of the dump.

(Recommend 1,000.00)

Art. 14. To see what sum the town will vote to take from excise tax receipts for use on tar account.

(Recommend \$6,000.00)

Art. 15. To see what sum the town will vote to raise and appropriate for use on highways and bridges.

(Recommend \$7,000.00)

Art. 16. To see what sum the town will vote to raise and appropriate for removal of snow from highways.

(Recommend \$10,000.00)

Art. 17. To see what sum the town will vote to raise and appropriate for care of sidewalks.

(Recommend \$600.00)

Art. 18. To see what sum the town will vote to take from excise taxes for cutting bushes on the highways.

(Recommend \$2,000.00)

Art. 19. To see what sum the town will vote to raise and appropriate for Workmen's Compensation for the ensuing year.

(Recommend \$200.00)

## IMPORTANT

### ALL TAXPAYERS SHOULD READ THE FOLLOWING

#### REQUIREMENTS AND COMPLY WITH THEM

Chapter 12, Section 36, of the Revised Statutes of Maine, 1954 requires the Assessors to give notice to bring in lists of taxable property; if no lists are brought in, NO CLAIM FOR ABATEMENT.

"Before making an assessment, the assessors shall give seasonable notice in writing to the inhabitants by posting notifications in some public place in town, or shall notify them in such other way as the town directs, to make and bring in to them true and perfect lists of their polls and all their estates real and personal, not by law exempt from taxation, of which they were possessed on the first day of April of the same year. If any resident owner after such notice, or any non-resident owner after being reasonably requested thereto by the assessors, does not bring in such list, he is thereby barred of his right to make application to the assessors or the county commissioners for an abatement on his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed. The request upon non-resident owners may be proved by a notice sent by mail directed to the last known address of the taxpayer or given by any other method that brings notice home to the taxpayer."

In accord with the above, all resident and non-resident taxpayers are hereby requested to bring into the assessors true and perfect lists of their polls and all of their estates, real and personal, as of April 1, 1966. The mailing of this copy of the town report to non-resident taxpayers will be considered a reasonable request as required by law.

The polls of all persons who have attained the age of 70 years are now exempt under Chapter 91A, Section 10, Revised Statutes of Maine, 1954.

---

#### ATTENTION DOG OWNERS

The Revised Statutes of Maine, 1965, requires: "On or before the first day of January of each year, the owner or keeper of any dog four months old or over shall apply to the city or town clerk either orally or in writing, for a license for each such dog owned or kept by him.

Chapter 100, Section 13, of the Revised Statutes of Maine, 1954, notice; "Whoever keeps a dog contrary to the provisions of the Statutes shall be punished by a fine of not more than \$25 to be recovered by complaint before any trial justice or municipal court in the county where such owner or keeper resides."

The Harrison, Maine Post Office (04040), was dedicated on October 29, 1966 by Postmaster Ida M. Blake, with postal officials in attendance. This new and modern building will be a facility that the town can well be proud of in years to come.

SELECTMEN'S COMMENTS

During the year 1966 we have endeavored to cooperate with the Citizens and Taxpayers of the Town of Harrison, and with their generous response the town has been able to obtain many improvements, such as new buildings, street reconstruction and new construction of the highways.

The new buildings include a new Town Office and a new Post Office in the center of the village. Both buildings were badly needed and are very attractive. They were constructed with the thought in mind of being permanent.

Many of the streets have been reconstructed with new drainage structures, widened out, and surface treated with bituminous to make a more lasting travel section. State Aid Road Construction money was used on the Lewis Road. It is our recommendation to continue on this road this year. Town Road Improvement funds went to rebuild the Deertrees Road.

The shade tree planting program was started this year under the direction of Ahti Martikainen.

The Selectmen authorized the plowing of the following camp roads:- Little Cove Road, Cape Monday Road, Harrison Pines Road, and the Harrison Shores Road.

The tax rate for 1966 was 25 mills. It is expected that the rate for 1967 will be approximately 34 mills. This rate increase is due to the expected cost of School Administrative District #17.

Respectfully submitted,

WALTER D. CHUTE  
RAYMOND W. MARTIKAINEN  
EDWIN R. ROLFE, JR.

## Report of the Public Health Nurse

HARRISON - 1966

The word "health" is the master word we often use in speaking of much that we value in life. Good health is not something that can be given for the asking. To be as healthy as possible each person must know and practice healthful ways of living and thinking.

Your public health nurse employed by the Department of Health and Welfare has contributed to the better health of the citizens of Harrison by providing the following services.

Eight child health conferences were held this year. Physical examinations were given to 55 infants and preschool children. Measles vaccine was offered in addition to polio, smallpox, diphtheria, whooping cough and tetanus immunizations.

In the spring your nurse participated in the preschool registration of children entering school in the fall. At this time the child's health problems were discussed. Other school nursing services include home visits to children with known or suspected health problems, arranging selective screening tests of vision and hearing and periodic visits with school personnel.

Home visits were made for the purpose of giving direct health supervision to children and adults, who are well or who have an illness, teaching them the principles of healthful living in order to help prevent illness. When the function involves treatment or preventive measures, the nurse works under the direction of a physician.

A successful public health nursing program depends largely upon the interest, support and volunteer work of the local people, individually and through organized group effort.

The assistance given to the public health nurse by willing volunteers, town officials, school personnel and physician is greatly appreciated.

Respectfully submitted,

FLORENCE P. ALLEN, R.N.

## Harrison Swimming Program

The Harrison Swimming Program completed a successful nine week program on August 29th, 1966 with Martha Hibbard as my assistant for the summer. Betsy Whitney and Kathy Fleck volunteered their assistance for the largely enrolled beginners classes which Martha and I greatly appreciated.

Classes were held five days a week from 9:30 A.M. through twelve noon and 1 P.M. through 4 P.M. There was one Pre-Beginner Class, two Beginner Classes, two Advanced Beginner Classes and the Junior and Senior Life Saving Class. This year, I found the Pre-Beginner Class to be a great success which is offered for the pre-school children.

There was a total attendance of 182 students for the summer. American National Red Cross Certificates were awarded as follows: 28 to Beginners, 16 to advanced Beginners, 15 to Intermediates, 13 to Swimmers, and 1 to Advanced Swimmers. Many were unable to take the test, who I am sure, could have passed the tests. Those who did not take the tests were the summer residents who had to return home before the program was over. The Pre-Beginner Class, who were unable to pass, and those who participated in the Advanced Swimmers program and failed to pass the test only because of their age, were awarded special participation certificates.

This year, we had two new rafts. Having two small rafts rather than one large one was very helpful. One was used for the younger swimmers in shallow water with the second one being in deeper water for the older and more advanced swimmers. The "No Dogs Allowed" sign was placed on the beach. Now, we have only to teach the dogs to read!

We also greatly appreciated the new "Life Boat" purchased by the Lions Club. It is much safer and easier to operate than the ones that have been used in the previous years. Now, we only need a pair of oars to fit the size of the boat. We now have a pair donated by Gardner Morrill. However, they are much too large and heavy for this small fiber boat. Also needed for the coming summer, are 6 new kick boards, which are used in the Pre-Beginner and Beginner Classes to learn the required kicks to pass the test.

Six days (including half days) were missed due to bad weather.

Again this year, the children enjoyed a ride on the chair lift at Pleasant Mountain and a picnic. This summer the picnic was held on a Friday and was made successful by the donations of hot dogs and rolls from the Lions Club, cookies donated by the Merry Maids 4-H Club, and the assistance of the mothers, which was greatly appreciated. The certificates were awarded after the picnic. On the following Monday the chair lift ride was enjoyed. I would like to thank the mothers who assisted.

I would like to thank the Lions Club, The Town of Harrison, the Selectmen, Mr. Neil Tracy, Mr. Ernest Murray and the others who helped make this summer a success. I would also like to take this opportunity to thank everyone who helped me these past three years to make each summer an enjoyable and successful summer for me. I enjoyed working with the children a great deal. If, next summer, the swimming instructor receives as much cooperation as I did, it will again be a successful swimming program. Thank you all again.

Respectfully submitted,

ELEANOR M. BOSWORTH  
Red Cross Swimming Instructor

## **Report of the Fire Department**

The Fire Department had a total of 20 calls in 1966; 10 siren, 7 silent, 2 dump, and one woods fire.

We have had the loan of a tank truck from Camp Tapawingo in Sweden for the fall and winter. This has been a big help to us as it gives us a big supply of water.

We had two major losses this last year at Howard Armstrong's and David McAllister's. Let's hope next year we won't have any.

Respectfully submitted,

DAVID PURINGTON, Chief

## REPORT ON DUTCH ELM DISEASE

1966

To the Selectmen of the Town of Harrison:

There were 53 Dutch Elm Diseased trees marked for removal in the Harrison Village area, and 30 were taken down by Lucas Tree Expert Co., leaving 23 more to be taken down by the town crew when more funds are available.

There were 33 Dutch Elm Diseased trees marked for removal in the Bolsters Mills area, and 6 were taken down by Lucas Tree Expert Co., with the remaining 27 taken down by the town crew.

Five companies of Licensed Maine Arborists were invited to bid on the work in the town of Harrison, and the Lucas Tree Expert Co. was hired as their bid was the lowest. Last year only 5 Dutch Elm Diseased trees had to be removed in the Bolsters Mills area.

Dormant spray was again applied last year in Harrison and Bolsters Mills by the Western Maine Forest Nursery.

Bidrin was again used on 51 elms in Harrison Village by the Maine Forest Service of Augusta in an attempt to check the disease.

I am sorry for the inconvenience that all of this work has caused the citizens of Harrison, but it was unavoidable.

With the rise in Dutch Elm Disease in Harrison and Bolsters Mills I believe more funds should be made available for the care of shade trees than last year.

In an attempt to replace the trees which had to be removed there were 24 young maple trees planted in Harrison in place of the elms. I hope that this project can be continued again this year.

Respectfully submitted,

AHTI A. MARTIKAINEN

Tree Warden

## Civilian Defense and Public Safety

To the Citizens of Harrison:

We hereby submit the report on Civil Defense and Public Safety for the Town of Harrison for the year of 1966. Chapter 61, Title 25 of the Revised Statutes of 1964, State of Maine, provides that each political sub-division of the State have a Civil Defense and Public Safety Organization, and that the duly elected governing body (Board of Selectmen) appoint a director for this agency, to carry out the State program as provided by law.

We have devoted considerable time, with the help of State and County officials in writing a basic operational plan for the Town, with all the required annexes, (Fire, Police, Welfare, Radiological, Communications, etc.) in order that in the event of a natural or war created disaster, we will be somewhat prepared to cope with these major problems as an organization.

During the year, two hundred and fifteen (215) students in the Harrison School were given a course in Nuclear Survival by Betty Proctor of the Cumberland County Office of Civil Defense and Public Safety. Book Covers were delivered to the upper grades and Cut-Out Books to lower grades and material was left for the teachers to continue the teaching.

Citizens of the Town of Harrison received plans for Home Fallout Protection Shelters. It is our hope that the receivers of these booklets read them thoroughly and make some provisions for protection.

Instructors from County Headquarters gave a course on the use of Radiological Defense Operational Equipment at the Harrison Village School to Civil Defense officers of various neighboring towns.

Weekly radio communication drills are given by County Control Center with our three licensed Communication Officers, Stevens J. Thomas, WIIZK, Richard Allen, WIFZQ and Kenneth Jackson, WAIGWU.

Respectfully submitted,

STEVENS J. THOMAS  
Director

GERALD W. FORREST  
Asst. Director

### LIBRARIAN'S REPORT

Books in possession of the Library	8,602
Circulation	4,449
Books added to the Library	209
Books purchased	90
Books donated	86
Memorial books	33

We were pleased with the results of our Membership Drive, and friends of the library have been very generous this year with their gifts of books and magazines. Down East Magazine, Yankee, the New Yorker and Time are all given to us this year and we receive many more in the summer. Memorial books were presented this year by many people in memory of Rep. Sam Pitts, Mrs. Tyyne Carlson, Fred Greene and Ronnie St. John.

In April we observed National Library Week by holding a contest for the upper grades of the Harrison Elementary School, and the students all wrote essays on the subject of "What the Library Means to Me". We found them all extremely interesting and the judges; Mr. and Mrs. John Staughton and Mrs. Alice Denison found it difficult to choose between them. Winners were: Sandra St. John from the fourth grade, Verne Maxfield, fifth grade, Regina Carlson, sixth grade, Robert Carruthers, seventh grade, and the eighth grade winner was Lisa Heath. Prizes were, of course, books.

We had our Silver Tea in August this year, so that our summer patrons could participate; Mrs. Margaret Denison, Mrs. Alice Denison and Mrs. Martha Jackson were in charge. Mrs. Frederica Staughton poured, Mrs. Rilma Kempton assisted the hostesses, and Miss Kathy Fleck was in charge of the children's room with their own punch bowl and delicious cookies and cakes.

Later in August we had our first Book Sale, again in charge of Mrs. Margaret Denison and Mrs. Martha Jackson, and we were all very pleased with the results. We plan to have another one next year, possibly a little earlier in the summer, and we appreciate all the book donations to the cause. This year our supply consisted mostly of books that we had discarded from the Library and books that had been given to us that we couldn't use. We sold our file of National Geographic Magazines, since Mrs. John March had given us a set dating back to the early nineteen twenties, complete with index.

We would like to thank Mrs. Margaret Denison, Mrs. Alice Denison, Mrs. Martha Jackson and Mrs. Rilma Kempton for their assistance in the past year, and all the ladies who furnished our delightful refreshments and the flowers for our Tea. Also, thanks to the Boy Scouts who have kept our paths shovelled and done a lot of hard work inside the Library, especially preparing for the Book Sale.

We hope to have a Repository for books in front of the Library soon, where people can leave their books if it is not convenient for them to come on our regular days, and we hope this may encourage a lot of you to come by a little more often.

VIRGINIA DAY, Librarian

### Message from the President

The Library has completed another successful year in its operation and we can be very proud of its place in the town and in the area. We can boast of many books that we possess that even libraries of much larger size, do not have on their shelves. We realize that some improvement can be made in the physical appearances of the interior and we are taking active steps to correct these.

We are very fortunate in having as our Librarian, Mrs. Virginia Day, who has done an outstanding job in running the Library and who takes a keen interest in making improvements for a more efficient handling of matters pertaining to the library.

The cost of running the library, like everything else, is rising each year and we are running on a rather tight budget. I feel that more interest should be shown by the citizens of the town so as to make our Library the best in the area. I am sure that many more citizens who are not now members, would like to join our membership, and the dues are only one dollar a year per adult and twenty-five cents for children.

I wish to thank the members of the Board and the Town for its cooperation and we are looking forward to a most successful 1967.

ABRAM I. COHEN, M.D.  
President

### **Bolsters Mills Public Library**

During the past year we were able to purchase our usual allotment of books. Also, we now have several magazine subscriptions, both adult and children.

Some duplicates have been discarded and older ones replaced when feasible.

The Misses Joan and Jean Pike continue to act as our librarians in a very capable manner.

We are grateful to our good neighbors who keep the paths cleared and furnace going.

Respectfully submitted,  
EDNA M. LORD, Secretary

## Auditor's Report

February 2, 1967

Board of Selectmen  
Harrison  
Maine

In accordance with Title 30, Section 5253, Maine Revised Statutes Annotated of 1964, an audit has been conducted of the financial records of the Town of Harrison for the fiscal year ended December 31, 1966.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Within the scope of the examination, the financial transactions were appropriately handled, with such exception as may be noted in the accompanying commentary.

In our opinion, the exhibits and schedules incorporated in this report, present fairly the financial position of the Town at December 31, 1966, and the results of its operations for the year then ended.

Respectfully submitted,

ARMAND G. SANSOUCY

State Auditor

## C-O-M-M-E-N-T-S

An audit has been completed of the financial records of the Town of Harrison for the fiscal year ended December 31, 1966. The audit consisted of an examination of the records maintained by the Selectmen, Treasurer, Tax Collector and other municipal officials.

The fiscal year's operations showed that the net departmental overdraft charged to surplus amounted to \$1,616.91, per the following summary:

## Departmental Operations:

Overdrafts	\$5,533.48
Unexpended Balances	<u>3,916.57</u>
Net Departmental Overdraft	<u>\$1,616.91</u>

Overdrafts in the new town office and highway accounts less the overlay were the major factors contributing to the net departmental overdraft.

The following comments pertain to the accompanying financial statements and to the scope of audit.

ASSETS.....The general cash balance of \$16,412.73 was on deposit in the Norway National Bank, Norway, Maine at December 31, 1966. The change fund of \$200.00 was on hand.

Taxes receivable totaling \$20,129.98 consisted principally of current accounts of \$19,797.63. The remaining balance of \$332.35 represented prior years' accounts dating from 1963. Tax liens and tax acquired property amounted to \$2,025.90 and \$45.97 respectively.

LIABILITIES, RESERVES AND SURPLUS.....The departmental accounts showed an unexpended balance of \$11,248.47, which was carried forward in accordance with legal requirements and/or by authority of the municipal officers.

Excise tax revenue of \$5,239.03 is reserved for future allocation by the townspeople.

The unappropriated surplus amounted to \$22,261.52 a decrease of \$16,774.01 for the year. This change was occasioned principally by transfers for departmental operations and capital expenditures less proceeds from the sale of town owned property.

DEBT FUND.....The debt fund incorporated in the balance sheet as a separate fund, reflects a prom-

issory note of \$300.00, representing the balance due Mona G. Irish for the purchase of real estate.

TRUST FUNDS.....Trust fund principals and income balance amounted to \$14,616.24 at the year end. The funds are invested in the Norway Savings and the South Paris Savings Banks and 159 shares of Canal National Bank common stock.

DEPARTMENTAL ACCOUNTS.....The departmental accounts showed an increase of \$17,038.81 in funds raised by taxation, as compared with the preceeding year. Larger appropriations for highway and education accounts were the major factors contributing to the change.

The departmental balances carried forward decreased by \$10,574.76, as compared with balances at the start of the year. This change occurred principally in the highway, education, equipment and unclassified accounts.

GENERAL.....The use of excise tax revenue for specific highway purposes was authorized by the voters. Transfers from surplus for construction of a new town office, purchase of a lot for the new town office, purchase of a new tractor and dump maintenance were also voter authorized.

It is recommended that the assessors commit supplemental taxes to the tax collector in accordance with statutory requirements.

#### SCOPE OF AUDIT

The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Count of cash was made and records checked to determine the accuracy of recorded cash transactions.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined for a selected period. The correctness of recorded assets and liabilities were verified on a test basis.

Excise tax collections were checked by examination of copies of receipts retained by the tax collector. Trust fund transactions were reviewed and investments verified. Surety bond coverage was examined.

## Warrant for Town Meeting

To Lawrence A. Card, a Constable of the Town of Harrison in the County of Cumberland:

Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Harrison, qualified by law to vote in the town affairs, to assemble at the Fire Station in said town on Saturday, the 11th day of March A.D. 1966 at 10 o'clock in the forenoon, to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a Town Clerk, Town Treasurer and Collector of Taxes for one year.

Art. 3. To see if the town will vote to give the Board of Selectmen permission to hire the town clerk to serve as office clerk to the Selectmen.

Art. 4. To choose one Selectman, Assessor and Overseer of the Poor for 3 years.

Art. 5. To vote the compensation of the 3 Selectmen, Assessors and Overseers of the Poor; and the compensation of the Town Treasurer, Town Clerk, Collector of Taxes, and Clerk to the Selectmen.

Art. 6. To elect a Road Commissioner for one year and vote his compensation.

Art. 7. To choose one School Director for three years to represent the Town on the Board of School Directors of School Administrative District No. 17.

Art. 8. To choose such other officers as the law requires to be chosen at the Annual Town Meeting.

Art. 9. To see if the town will vote to re-appropriate the balances from 1966 of:

Town Charges	\$ 536.42
Fire Department	383.50

Street Lights	\$ 43.21
Civil Defense	310.77
Public Health	35.02
Snow Removal	485.22
Sidewalks	159.20
Equipment Shed	34.52
Truck	4,453.13
Tractor	62.95
Grader	2,644.22
Town Poor	2,429.02
Outside Cemeteries	313.02
Interest	1,215.77
Social Security	287.75
Plant Trees	63.50
Town Lines	300.00

Art. 10. To see what sum the town will vote to raise and appropriate for defraying town charges for the ensuing year.

(Recommend \$7,500.00)

Art. 11. To see what sum the town will vote to raise and appropriate for maintenance of Parks and Beaches.

(Recommend \$500.00)

Art. 12. To see what sum the town will vote to raise and appropriate for support of the poor.

(Recommend \$1,500.00)

Art. 13. To see what sum the town will vote to raise and appropriate for A. D. C..

(Recommend \$600.00)

Art. 14. To see what sum the town will vote to raise and appropriate for care of the dump.

(Recommend \$1,000.00)

Art. 15. To see what sum the town will vote to take from excise tax receipts for use on tar account.

(Recommend \$7,000.00)

Art. 16. To see what sum the town will vote to raise and appropriate for use on highways and bridges.

(Recommend \$7,000.00)

Art. 17. To see what sum the town will vote to raise and appropriate for removal of snow from highways.

(Recommend \$10,000.00)

Art. 18. To see what sum the town will vote to raise and appropriate for care of sidewalks.  
(Recommend \$600.00)

Art. 19. To see what sum the town will vote to take from excise taxes for cutting bushes on the highways.  
(Recommend \$2,000.00)

Art. 20. To see what sum the town will vote to raise and appropriate for Workmen's Compensation for the ensuing year.  
(Recommend \$400.00)

Art. 21. To see what sum the town will vote to raise and appropriate to pay its share of the Social Security Plan.  
(Recommend \$750.00)

Art. 22. To see what sum the town will vote to raise and appropriate for the Harrison Fire Department for the ensuing year.  
(Recommend \$3,000.00)

Art. 23. To see if the town will vote to raise and appropriate the sum of \$300.00 to pay final installment on the Mona Irish Lot.

Art. 24. To see if the Town will vote (a) to enter into a street lighting contract with Central Maine Power Company for a term of not less than ten (10) years covering the Town's existing street lighting system and such additional installations as may be installed in accordance with the provisions of the contract; the Town to pay to Central Maine Power Company for the street lighting service furnished and delivered to it under the provisions of the contract the sums prescribed by the Company's applicable rate schedule, which in no event shall be less than 90% of the maximum amount of the Company's monthly billing to the Town for street lighting service contracted for under the Company's applicable rate schedule during any previous twelve months period expiring on the anniversary date of the contract, and (b) to authorize the Selectmen or the Town Manager to execute and deliver to Central Maine Power Company said street lighting contract.

Art. 25. To see what sum the town will vote to raise and appropriate for lighting the streets of Harrison and Bolsters Mills.  
(Recommend \$3,800.00)

Art. 26. To see if the town will vote to raise and appropriate the sum of \$200.00 for Public Health Nursing in Harrison, said sum to be expended by the Maine Dept. of Health and Welfare for local service.

Art. 27. To see if the town will vote to authorize the Selectmen to sell and dispose of property acquired by the town by tax process on such terms as they deem advisable and to execute quit claim deeds for same.

Art. 28. To see what sum the town will vote to raise and appropriate for the support of the Caswell Public Library for the ensuing year.  
(Recommend \$1,500.00)

Art. 29. To see what sum the town will vote to raise and appropriate for the support of the Bolster Mills Library for the ensuing year.  
(Recommend \$200.00)

Art. 30. To see what sum the town will vote to raise and appropriate for Memorial Purposes.  
(Recommend \$75.00)

Art. 31. To see what sum the town will vote to raise and appropriate for Publicity.  
(Recommend \$475.00)

Art. 32. To see what sum the town will vote to raise and appropriate for care of Stuart's Corner Cemetery.  
(Recommend \$50.00)

Art. 33. To see what sum the town will vote to raise and appropriate for care of Outside Cemeteries.  
(Recommend \$600.00)

Art. 34. To see what sum the town will vote to raise and appropriate for care of shade trees.  
(Recommend \$3,000.00)

Art. 35. To see what sum the town will vote to raise and appropriate to plant shade trees.  
(Recommend \$500.00)

Art. 36. To see if the town will vote to authorize the Selectmen to contract all or part of snow removal for the 1967-1968 season.

Art. 37. To see what sum the town will vote to raise and appropriate to help pay for a Recreation Instructor for the coming season.  
(Recommend \$450.00)

Art. 38. To see what sum the town will vote to raise and appropriate for operating expenses and maintenance of the municipal buildings.  
(Recommend \$1,500.00)

Art. 39. To see what sum the town will vote to raise and appropriate for State Aid Road Construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Title 23, MRSA Sections 1101, 1103 or 1104.  
(Recommend \$1,596.00)

Art. 40. To see what sum the town will vote to raise and appropriate for Civil Defense.  
(Recommend \$200.00)

Art. 41. To see what sum the town will vote to raise and appropriate for Public Health.  
(Recommend \$250.00)

Art. 42. To see if the town will vote to authorize the Selectmen to take necessary steps to obtain a professional revaluation of Real Estate and taxable personal property of the town.  
(Requested by Taxpayer's Assoc.)

Art. 43. To see if the town will vote to elect all town officials by so-called Australian Ballot at all future town meetings.  
(Requested by Taxpayer's Assoc.)

Art. 44. To see if the town will vote to elect five Selectmen, Assessors and Overseers of the Poor in place of a three man board. Each Selectman to hold office for three years.  
(Requested by Taxpayer's Assoc.)

Art. 45. To see if the town will vote to accept a Trust Fund of two hundred dollars (\$200.00) from Mrs. Ethel Wheeler of Oakland, Maine for the care of the Noyes-Brackett Cemetery.

Art. 46. To see if the town will vote to authorize the Town Officials, under M.R.S. Title 30 Section 1903, to accept in the future any trust funds they deem acceptable.

Art. 47. To see if the town will vote to direct the Selectmen to use the town's highway equipment on private ways upon which there are residences or dwellings owned by more than one persons, and occupied by at least one family on a permanent basis, and more particularly to plow and remove snow on said private ways.

(By petition from Roberta Picard)

Art. 48. To see if the town will vote to change the name of "Depot Street" to name it "Lakeview Drive".

(By request of Mrs. Helen Maxfield)

Art. 49. To see if the town will vote to take \$1,000.00 from the grader account to put in a cement floor in the town equipment shed.

## IMPORTANT

### ALL TAXPAYERS SHOULD READ THE FOLLOWING REQUIREMENTS AND COMPLY WITH THEM

Chapter 12, Section 36, of the Revised Statutes of Maine, 1954 requires the Assessors to give notice to bring in lists of taxable property; if no lists are brought in, NO CLAIM FOR ABATEMENT.

"Before making an assessment, the assessors shall give reasonable notice in writing to the inhabitants by posting notifications in some public place in town, or shall notify them in such other way as the town directs, to make and bring in to them true and perfect lists of their polls and all their estates real and personal, not by law exempt from taxation, of which they were possessed on the first day of April of the same year. If any resident owner after such notice, or any non-resident owner after being reasonably requested thereto by the assessors, does not bring in such list, he is thereby barred of his right to make application to the assessors or the county commissioners for an abatement on his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed. The request upon non-resident owners may be proved by a notice sent by mail directed to the last known address of the taxpayer or given by any other method that brings notice home to the taxpayer."

In accord with the above, all resident and non-resident taxpayers are hereby requested to bring into the assessors true and perfect lists of their polls and all of their estates, real and personal, as of April 1, 1967. The mailing of this copy of the town report to non-resident taxpayers will be considered a reasonable request as required by law.

The polls of all persons who have attained the age of 70 years are now exempt under Chapter 91A, Section 10, Revised Statutes of Maine, 1954.

---

### ATTENTION DOG OWNERS

The Revised Statutes of Maine, 1965, requires: "On or before the first day of January of each year, the owner or keeper of any dog four months old or over shall apply to the city or town clerk either orally or in writing, for a license for each such dog owned or kept by him.

Chapter 100, Section 13, of the Revised Statutes of Maine, 1954, notice; "Whoever keeps a dog contrary to the provisions of the Statutes shall be punished by a fine of not more than \$25 to be recovered by complaint before any trial justice or municipal court in the county where such owner or keeper resides."
